

I want to briefly express the importance of having a radio station like K-LOVE available in my area. As a parent who carpools with other local resident's children it is refreshing to know that I can turn on K-LOVE and not worry about screening bad lyrics, bad commentary or just inappropriate, suggestive advertising. K-LOVE is a family friendly station that benefits our children and the future of our country. It is imperative that such a service as K-LOVE not be forced off the air in any area that it serves!
